8. INFORMATION ON THE NATIONAL HIGHER EDUCATION SYSTEM

Certificate of general secondary education and diploma of vocational secondary education gives the right to continue education at higher education level. However, the universities/colleges are free to set specific admission requirements, e.g. additional subjects that had to be taken at the secondary school level to qualify for admission to a particular programme.

According to the Latvian legislation, higher education programmes are placed in the Latvian Qualifications Framework (henceforth – LQF) and comply with eight levels of the European Qualifications Framework (henceforth – EQF).

The Placement of Higher Education Certifying Education Documents in the LQF and EQF

Education documents certifying higher education	LQF and EQF level
Diploma of first level professional higher education	5
Bachelor's diploma Professional Bachelor's diploma Diploma of professional higher education, diploma of higher professional qualification (second level professional higher education, the length of full-time studies – at least 4 years)	6
Master's diploma Professional Master's diploma Diploma of professional higher education, diploma of higher education, diploma of higher professional qualification (second level professional higher education, the total length of full-time studies – at least 5 years)	7
Doctor's diploma	8

Higher education system comprises both academic higher education and professional higher education. *Bakalaurs* (Bachelor's) and *magistrs* (Master's) degrees are awarded both in academic and professional higher education programmes.

The objectives of the **academic higher education (HE)** are to prepare graduates for an independent research work, as well as to provide theoretical background for professional activities.

Academic programmes leading to a *bakalaurs* (Bachelor's) degree comprise 120–160 credit points (henceforth – CP)¹ (160–240 ECTS). The duration of full-time studies is 6–8 semesters (3–4 years).

Academic programmes leading to *magistrs* (Master's) degree comprise 40–80 CP (60–120 ECTS). The duration of full-time studies is 2–4 semesters (1–2 years).

Total duration of full-time Bachelor's and Master's studies is at least 5 years.

Academic education programmes are implemented according to the state standard of the academic education.
